### SUE DOWELL

Introducing Queen - elect, Sue Dowell. Sue was born in Santa Monica, Calif., attended Fresno State College and graduated in 1965 in Nursing. She has been employed with the Fresno Unified School District for the past 12 years as a school nurse. Previously her employment included staff education at Valley Medical Center and Public Health Nurse on the Indian reservation of Tucson, Arizona.

Sue met her husband, Bob Dowell at Fresno State College while pledging a sorority. They have been married 28 years and have two daughters; Jacque, a junior at Calif. State University, Fresno, and Stacy, a senior at Hoover High School.

The past 18 years the Dowells have lived in Fresno, having previously lived in Corona Del Mar, the Mendocino coast and

Tennis, photography and dancing have become their hobbies.

Sue and Bob became involved with ballroom dancing just two years ago after being totally captivated watching a group of dancers on a vacation cruise. They decided then and there to learn to dance.

Soon the friends they made on the ballroom floor introduced them to N.S.D. and they became actively involved.

Sue comments "We have enjoyed meeting so many wonderful people going to the various Queen coronations up and down the State".

Husband, Bob is presently the treasurer, and Sue is recording secretary of the Fresno Chapter.

SUE DOWELL - 1991

### QUEEN'S MESSAGE

Thank you Fresno NSD for giving me such a wonderful opportunity to represent our chapter as the 1991 Queen. Having the chance to represent

our chapter and make new and special friends will make for a most exciting and memorable year. Bob and I are looking forward to all the up and coming coronations, expanding our circle of dance friends and dancing. You cannot know how much I appreciate all of your guidance and support. It will be my pleasure and honor to represent our chapter as Queen.

November 10th 1990 will be a lasting happy memory for me. Thank you all NSD members and friends for making this evening a very special event in my life as well as for my family. I will never forget your warm welcome and fellowship given to me by members of NSD.

Queen Sue Dowell,

To Queen Mary Hirata

A special farewell and thank you Queen Mary. You have been a most gracious and caring Queen. Fresno NSD has been very lucky to have had you as their Queen this past year. You and Bill have made us very proud as the representatives of Fresno NSD. We know that you had an exciting reign, we hope that all your memories of the past year will be ever lasting.

With Special Thanks

SUE DOWELL  
1991

Sue and her husband, Bob, became interested in dancing while watching vacationers enjoying themselves on a cruise. They were introduced to the Fresno Chapter by friends. Sue and Bob have become very interested in

competition and have been moving up the ladder quickly in terms of skill and grace. Sue has also served as Recording Secretary, Corresponding Secretary and Social Chair.
