State Queen's Farewell

The true meaning of National Smooth Dancers is the people!

I was honored to be elected by the Fresno Chapter and have the privilege of representing our organization.

It was wonderful traveling the length of our beautiful state, meeting old friends and making new friendships. Each coronation was a unique time in my life. I was graciously received by each chapter. This is a year I will cherish, and of which I will always have fond memories.

I would like to thank my escort, best friend and dance partner, Kevin McCready, who accompanied me.

In conclusion, I want to applaud the NSD members for the love, devotion and commitment they have shown to their chapters.

Congratulations to our new State Queen, Mary Anderson. Mary, I know that you will have a grand time during your reign as I have had.
